

Colorado River headwaters and hurt our economy on both sides of the park. In recognition of these potential threats to the quality and character of the area and to protect the enormous number of recreation industry jobs, again, on both sides of Rocky Mountain National Park—in Estes Park in Larimer County and in Winter Park in Grand County—there has been enormous local support for this locally driven bill, including support from the Grand County Board of Commissioners, the Town of Grand Lake, the Headwaters Trails Alliance, Conservation Colorado, and the Rocky Mountain Nature Conservancy.

H.R. 1324 simply responds to the wishes of my constituents, particularly those living in and around the wedge but also those with businesses and who operate in the tourism and construction industries on both sides of the Rocky Mountain National Park, by incorporating it into the Arapaho National Forest boundary and adding the lots owned by the Forest Service into the adjacent Bowen Gulch Protection Area.

This is a strong, bipartisan bill that has the express support of my Colorado colleagues in both Chambers. It was passed through the House Natural Resources Committee by unanimous consent in the 113th Congress, and it was voice voted out of the House shortly thereafter. While the clock ran out on moving this legislation through the Senate in the 113th Congress, I am very confident that we can get that done here in the 114th. Hopefully, the sooner the better. I am grateful for the House Natural Resources Committee's quick consideration of this bill, and I urge my colleagues to vote in favor of its passage.

Ms. TSONGAS. Mr. Speaker, I yield back the balance of my time.
